

APR 14 1947

150

MEMORANDUM FOR: Malcolm Morrow, Chief, Division of Public Inquiries,
Office of Government Reports.

SUBJECT: United States Government Manual.

1. Reference your memorandum, dated March 21, 1947, subject as above.
2. Attached herewith is the complete text for the National Intelligence Authority, which it is requested be included in the Second Edition of the 1947 U.S. Government Manual.
3. The following changes should be noted:
 - a. The address of the National Intelligence Authority should be changed to read, "2430 E Street, N.W."
 - b. The telephone number of the Authority should be changed to read, "Executive 6115," with no extension given.
 - c. Under members of the Authority, the name of George C. Marshall is to be substituted for that of James F. Byrnes as Secretary of State.
 - d. The first sentence of Paragraph 2 of the text, under "Creation," should be deleted, and the following sentence substituted:

"The Director of Central Intelligence, who sits as a non-voting member of the Authority, is the head of the Central Intelligence Group, which is under the direction and control of the National Intelligence Authority."

FOR THE DIRECTOR OF CENTRAL INTELLIGENCE:
